

LINNE CALODO WHITE AND ROSÉ WINE RELEASE

2020 Pale Flowers

Rosé of Grenache

100% grown from Linne Calodo Estate vineyards

12.5% Alcohol by Volume

Suggested pairings: Ceviche, guacamole, feta and watermelon salad, Thai chicken salad...

Created from Grenache grapes picked and pressed expressly to make a perfect rosé, this wine is love at first sight with its soft glowing pink reminiscent of a summer sunset. Poured in the glass, the aromatics draw to mind fresh strawberries awash in an ocean breeze. Both fruity and savory elements interplay on the tongue, honeydew melon on rosemary skewers, a bay leaf steeped in watermelon water. A crisp clean finish leaves your mouth watering and your hand reaching for another sip! Best enjoyed young, this summer through summer 2022.

2020 Contrarian

41% Viognier, 40% Grenache Blanc, 19% Picpoul Blanc

100% grown from Linne Calodo Estate vineyards

13.5% Alcohol by Volume

Suggested pairings: Sushi, barbecued shrimp, roast chicken, soft cheeses like camembert...

The rich round aromatics and flavors of Viognier dominate this blend, while the Grenache Blanc and Picpoul Blanc ensure a smooth transition to a crisp clean finish. Jasmine and honeysuckle jump out as soon as the bottle is opened, with hints of lemon meringue pie following as you dive into the glass. The wine has a creamy round mouthfeel, with peach and thyme joining the aromatic notes. Then the finish tightens up the flavors with a bright conclusion and a lingering note of pineapple and rosewater. A very ageworthy white, it can be enjoyed immediately or aged through 2028 for more nutty flavors and a softer mouthfeel.
